- OASIS is Curtin's student portal. Through OASIS, students are provided with access to their student record (eStudent), the Official Communications Channel (OCC), and a range of other online services including a student email account and learning support systems.
- It is a condition of enrolment at Curtin that students activate their OASIS account and access OASIS at least once a week to receive official communications from the University via the OCC.
- Students may be granted exemption from the requirement to access OASIS in exceptional circumstances only. Please check <http://www.oasis.curtin.edu.au> for more information.

Guild Membership

Under the Curtin University of Technology Act, all students automatically become members of the Student Guild on enrolment. In order for the Guild to provide services to you whilst you are a member, your name, student ID number, preferred contact address, home phone number, email addresses, gender, year of birth, course of study, campus location and other basic enrolment details will be made available to the Guild. These details will remain confidential. You may elect to opt out of Guild membership at any time via the Guild Membership Status Channel in OASIS (under the Campus Life & Guild tab). If you opt out of Guild membership, the Guild will no longer have access to your details and you will cease to be eligible for membership benefits.
