CERTIFICATE IV IN DESIGN

WHAT IS IT?

The Certificate IV is the perfect foundation qualification to break into the Design industry. You'll gain the basics of Graphic Design and learn how to produce exciting and creative graphic images for print reproduction and digital media. CTI also provides you with lecturers who are industry professionals, have vast experience in Graphic Design and who will mentor you to success.

By the end of the course you will be able to create and communicate exciting graphic designs for print and for digital media, use drawing, design process methods, and presentation techniques, make informed and creative typography decisions, manipulate photos, prepare text and graphic files for print.

WHY A CERTIFICATE IV IN DESIGN AT CTI?

- ✓ **Experience:** CTI's School of Design has been at the forefront of Design Education in Mauritius for over 15 years. We started the first School of Advertising and Design in Mauritius in 1998.
- ✓ **Innovation:** There is a strong focus on contemporary design practices and principles.
- ✓ **Showcase Portfolio:** By the end of the course students will have a comprehensive portfolio of stunning work showcasing their talents to potential employers.
- ✓ **Strong practical focus:** The School's state-of-the-art facilities provide students with the necessary resources to produce finished design executions across a range of media.
- ✓ **Employability Advantage:** This course helps students develop a comprehensive and unique combination of creativity and up-to-date software skills which is in high demand in the Design Industry.
- ✓ **Industry Network:** A number of teaching staff are currently working in industry. Our students work on real-world projects and undertake internships in the best Agencies and/or Design Businesses both locally or overseas
