

**CHARLES TELFAIR**  
I N S T I T U T E

BACHELOR OF COMMERCE  
**ENTREPRENEURSHIP AND MARKETING**

# WHAT IS IT?

This double major is designed for enterprising individuals who want to start their own business or work as corporate entrepreneurs. Entrepreneurs can be found in many types of workplace. What they all have in common is ambition, hard work, an ability to think outside the box, and the love of a personal challenge.

This major provides a sound understanding of how to start up your own business. You will study the foundations of business along with units that enhance your knowledge, skills and expertise in developing, managing and growing an entrepreneurial venture: either your own business or someone else's business. You will also gain skills in management, problem solving, planning, organisation and managing change.

The practical approach of this major gives you the chance to interact with real entrepreneurs and receive industry experience.

***Please note:***

During your first year of the Bachelor of Commerce in Entrepreneurship and Marketing you will complete common core units which will provide an introduction to the various aspects of the business.

## WHY A CURTIN BCom ENTREPRENEURSHIP AND MARKETING AT CTI?

- ✓ **Entrepreneurial Skills:** Completion of the Degree will enable you to learn, grow and manage an entrepreneurial venture.
- ✓ **Industry Exposure:** CTI makes use of its links with industry to help students in their search for an internship during their final year of study. As a result, many find permanent employment once they complete their degree.
- ✓ **Global Perspective:** The program recognizes the global nature of entrepreneurship. You will understand how cultural practices and differences impact on commercial activities.
- ✓ **Business Acumen:** This Curtin degree allows final-year students the opportunity to develop their business acumen through a unique simulation program during which students compete in teams to run a virtual company in a virtual industry.
