## BACHELOR OF COMMERCE MANAGEMENT (SINGLE MAJOR)

## WHAT IS IT?

This degree provides students with a foundation of knowledge, insights and abilities required of managers in a wide range of sectors, industries, and functions. The major will help you prepare for working as a manager in small businesses, as well as in medium and larger local and multinational enterprises. It will also prepare you for work in non-profit organisations and the public sector.

You will be able to:

- Select and apply theories, concepts and techniques to describe, understand, analyse and evaluate management issues and problems
- Think critically and creatively to generate solutions to management problems and apply logical and rational processes to make decision
- Access, evaluate and synthesise information from multiple sources to make valid and supported judgments about management issues
- Communicate in ways appropriate to the

management discipline for various audiences and context

- Use and apply technologies, recognizing their advantages and limitations when applied to management
- Take responsibility for your own learning by demonstrating initiative in finding new information and actively participating in varied learning experiences
- Think globally and consider management issues from a variety of perspectives
- Actively support the value of cultural diversity in improving business and professional practice
- Demonstrate leadership, ethical practice and professional integrity when working within a team and independently

### *Please note:*

*During your first semester of the Bachelor of Commerce you will complete common core units which will provide an introduction to the various aspects of business. You do not need to make a final decision on a single or combined major until your second semester.*
